DATE: September 2, 1964

PERSONAL AND CONFIDENTIAL

SUBJECT: COUNTERINTELLIGENCE PROGRAM
INTERNAL SECURITY
DISRUPTION OF HATE GROUPS

Effective immediately, the Bureau is instituting a coordinated Counterintelligence Program (Cointelpro) directed against Klan-type and hate organizations. Offices receiving copies of this letter are instructed to immediately open an active control file, captioned as above, and to assign responsibility for this program to an experienced and imaginative Special Agent who is well versed in investigation of hate and racist-type organizations and their membership.

The purpose of this program is to expose, disrupt and otherwise neutralize the activities of the various Klans and hate organizations, their leadership and adherents. The activities of these groups must be followed on a continuous basis so we may take advantage of all opportunities for counterintelligence and also inspire action in instances where circumstances warrant. The devious maneuvers and duplicity of these groups must be exposed to public scrutiny through the cooperation of reliable news media sources, both locally and at the Seat of Government. We must frustrate any effort of the groups to consolidate their forces or to recruit new or youthful adherents. In every instance, consideration should be given to disrupting the organized activity of these groups and no opportunity should be missed to capitalize upon organizational and personal conflicts of their leadership.

8. Viking Youth of America (Origin: Tampa)
9. White Youth Corps (Origin: Chicago)

On or before 10/15/64, participating offices are instructed to submit to the Bureau a detailed analysis of potential counterintelligence action against pertinent organizations and individuals active within their respective territories and specific recommendations should be included for any logical immediate counterintelligence action. Recommendations submitted under this program must include all necessary facts to enable the Bureau to intelligently pass upon the feasibility of the proposed action. In instances where a reliable and cooperative news media representative or other source outside the Bureau is to be contacted or utilized in connection with a proposed counterintelligence operation, it will be incumbent upon the recommending office to furnish assurances the source will not reveal the Bureau's interest or betray our confidence.

Offices participating in this program who have investigative responsibility for Klan organizations should specifically comment in the initial letter to the Bureau regarding "Action Groups." As these offices are aware, these groups have been described as the relatively few individuals in each organization who use strong-arm tactics and violent actions to achieve their ends. Often these groups act without the approval of the Klan organization

or membership. The Bureau considers it vital that we expose the identities and activities of such groups and where possible disrupt their efforts. These groups should be subjected to continuing counterintelligence action.

No counterintelligence action may be initiated by the field without specific Bureau authorization.

Commencing 1/1/65 and every 3 months thereafter, each participating office should submit to the Bureau a status letter covering the prior 3-month period, including comments under the following captions:

1. Potential Counterintelligence Action
2. Pending Counterintelligence Action
3. Tangible Results

If necessary, a 4th caption "Miscellaneous" may be utilized for additional comments.

Recommendations for counterintelligence action should not be included in 90-day status letters to the Bureau but following the initial analysis due 10/15/64, should be submitted individually by separate letter.

All Special Agent personnel responsible for the investigation of Klan-type and hate organizations and their membership should be alerted to our counterintelligence plans relating to these groups. Counterintelligence action directed at these groups is intended to complement and stimulate our accelerated intelligence investigations. Each investigative Agent has a responsibility to call to the attention of the counterintelligence coordinator suggestions and possibilities for implementing the program. You are cautioned that the nature of this new endeavor is such that under no circumstances should the existence of the program be made known outside the Bureau and appropriate within-office security should be afforded this sensitive operation.

Letter to Atlanta
RE: COUNTERINTELLIGENCE PROGRAM
INTERNAL SECURITY
DISRUPTION OF HATE GROUPS
157-9-Main

The Bureau is pleased with past successes achieved by our counterintelligence efforts in other phases of our investigative responsibilities. To insure our success in this new endeavor, the Agent to whom the program is assigned in each office must have a detailed knowledge of the activities of the racist groups in the territory and that knowledge must be coupled with interest, initiative and imagination. The Agent must be alert for information which has a disruptive potential. The information will not come to him - - he must look for it. The most effective way of being assured of keeping on top of the situation is to maintain close contact with those Agents who handle the investigation of the racial and hate groups and their membership and also to periodically review relevant files.

If an enthusiastic approach is made to this new endeavor, there is no reason why the results achieved under this program will not equal or surpass our achievements in similar type programs directed against subversives.

United Florida Ku Klux Klan
Sebring Klavern

Through recent information furnished by FOIA(b)(7) - (D)
it is noted that the Sebring Klavern is apparently dying
out. Attendance at the weekly meetings has been very poor
with a maximum of 3 to 4 in attendance.

FOIA(b)(7) - (D)

In view of the above, the Sebring Klavern will
probably become inactive in the very near future. It is
felt that any counterintelligence move at the present time
would possibly result in a renewed interest and regrouping
by the members rather than the desired results.

Should the Sebring Klavern not disband in the near
future, it is then felt that information could be confi-
dentially furnished to Highlands County Sheriff BROWARD COKER,
Sebring, as to time, date and location of the Ku Klux Klan
meetings. Sheriff's Department patrol cars could patrol the
area in an obvious fashion in order to disrupt the meetings
and cause concern among those in attendance.

Sheriff COKER has been very cooperative and has
reflected a distaste for any Ku Klux Klan activity in his
county. It is not felt that Sheriff COKER would in any
way reveal the Bureau's interest or betray our confidence.

It is felt that counterintelligence contact with
the Sebring press would be unwise.

MM 157-1114

**Reported Attempts to Organize Klavern
of United Florida Ku Klux Klan in
Sebastian, Florida (Indian River County)**

It is recommended that immediately upon confirmation of the attempted organization of a Ku Klux Klan Klavern in Indian River County, that counterintelligence steps be taken to discourage same.

The "Ft. Pierce News Tribune," a daily newspaper with circulation including Indian River County, could be utilized. Mr. CHARLES MILEY, Editor, is an SAC contact of the Miami Division and has proven reliable and cooperative in past dealings. Through information furnished to MILEY, the attempt at organizing the Ku Klux Klan in Sebastian, Florida, could be exposed to the community. Community leaders would then likely take steps to counteract the formation of this organization.

It is not felt that Mr. MILEY would in any way reveal the Bureau's interest or betray our confidence.

It is also recommended that LEM BRUMLEY, Chief Deputy, Indian River County Sheriff's Office be furnished information regarding the attempted Ku Klux Klan organization in Sebastian. BRUMLEY could arrange for patrol cars to cover the Ku Klux Klan meetings in an obvious fashion. This would likely discourage attendance and cause concern.

Chief Deputy BRUMLEY is a National Academy graduate and has been completely cooperative with contacting Agents. It is not felt that BRUMLEY would in any way reveal the Bureau's interest or betray our confidence.

Council For Statehood
West Palm Beach, Florida

The Council for Statehood has been found to be not an action group but rather a mailing facility for the writings of MARY M. DAVISON. These writings are disseminated to local and national legislators and all are filed with the Library of Congress in Washington. The dissemination of writings by this group has now become practically negligible. The group is said to have political overtones as a republican group.

It is not recommended that any positive harassment activities be undertaken with regard to this group at this time, since such action, in all probability, would enhance the activities of this group rather than accomplish the desired effect.

United Free Men
West Palm Beach, Florida

This organization is now defunct.

At the present time there are no known "action groups" within the Miami Division.

SUGGESTIONS FOR COINTELPRO

(1) Many hate groups send literature, to individuals on their mailing lists, which has been distorted or is out of context, regarding individuals and organizations. The literature is intended to promote a hostile and unfavorable image of the organization and/or individual. Favorite targets in this regard are the United Nations and U. S. Supreme Court Justice EARL WARREN.

MM 157-1114

It is noted the United Nations has considerable literature setting forth favorable information regarding accomplishments and the desirability of having a United Nations. It would appear appropriate to offset the literature sent out by the hate groups, by sending out favorable information concerning the organization or individual under attack.

(2) Any hate organizations tend to disguise their true identity under the pretext of being a religious study group. Using such a disguise, they find it easy and inexpensive to obtain the facilities of an established church to hold special or organizational meetings.

By using an appropriate pretext, such as a free lance reporter for the local paper, or through a reliable news contact, the individual responsible for the facility could be contacted shortly prior to the planned meeting. At this time, the true identity of the hate organization could be exposed, resulting in considerable disruption, especially if the use of the facilities are canceled at the last moment.

FOIA(b) (7) - (D)

In September, 1962, and December, 1963, STONER spent several weeks in Florida, including visits to Miami and Vero Beach, Florida, attempting to organize and promote the NSRP. To date the NSRP has failed to gain any "foot hold" within the Miami Division. It is not known if this article was responsible for STONER's failure, however, it does represent a type of counterintelligence.

Re Miami letter to Bureau dated 10/14/64.

Enclosed are three copies of a cartoon which appeared in the "Miami News," November 4, 1964.

By removing the word RETURNS from the cartoon and inserting NSRP (National States Rights Party); this cartoon would simply and clearly point up the platform upon which the NSRP is built. It is believed that the general theme in this cartoon could be used in preparing a cartoon of this type for distribution to people on the mailing list or in sympathy with the NSRP. It is felt the cartoon would have only a harassment effect on the "hard core" of the NSRP; however, people who normally receive NSRP literature and occasionally send in contributions may be deterred from making future contributions to this or similar groups.

The above is being furnished to the Bureau to be considered in the Cointelpro. Bureau policy regarding the use of the U. S. mails would be one of the prime factors in a suggestion of this kind.

**COUNTERINTELLIGENCE PROGRAM

DISRUPTION OF HATE GROUPS
(CARTOONS AND CARICATURES)**

The Miami Office by letter dated 11/18/64 forwarded to the Bureau an idea to be used to discredit the National States Rights Party, one of the hate groups considered under this Program. The Bureau does not believe that the idea furnished by the Miami Office contains sufficient impact for use under this Program, but the suggestion that cartoons be utilized to embarrass the Ku Klux Klan and hate groups has considerable merit.

Ridicule can be a devastating weapon and should not be overlooked in regard to the Counterintelligence Program which is aimed at disrupting and discrediting Klan-type and hate organizations. Many prominent Klan leaders and leaders of hate organizations possess idiosyncrasies or become involved in situations which present excellent opportunities to utilize ridicule as a weapon to discredit them both within their own organizations and in the eyes of the general public. The publication of cartoons and caricatures by cooperative news media or the anonymous circulation of them among rank-and-file members of Klan and hate groups will serve to both disrupt the various organizations and to discredit their leadership. Field offices participating in the Counterintelligence Program are urged to carefully assess and consider such a situation involving leaders of the Klan and hate organizations with the idea of portraying them in cartoon form.

This may be accomplished by submitting the idea to a cartoonist on the staff of a newspaper where we have established a reliable and discreet relationship or by preparing such cartoons utilizing the talents of SAs with artistic ability. In the event there are no artists in a respective office, a rough draft of a suggested cartoon should be submitted to the Bureau where an effort will be made to produce a suitable cartoon. Where a caricature of a specific individual is involved, this, too, may be prepared at the Bureau providing the suggesting field office will submit appropriate photographs of the individual to be portrayed.

EDWARD R. FIELDS,)

v.)

DEFENDANT'S ANSWER.

STANLEY POSPISIL,)

Defendant.)

FIRST DEFENSE

Defendant admits the allegations contained in Paragraph 2 of the complaint; alleges that he is without knowledge or information sufficient to form a belief as to the truth of the allegations contained in Paragraph 1 of the complaint; and denies each and every other allegation contained in the complaint.

SECOND DEFENSE

The defendant says that the matter charged in the complaint as libelous is true and was published for good motives.

THIRD DEFENSE

The defendant says that the alleged libelous language stated in the complaint was published without malice to the plaintiff and was a privileged communication upon which no action can be maintained; that the defendant had probable cause for believing and did believe the same to be true.

FOURTH DEFENSE

The defendant says that at the time of the publication of the alleged libelous language complained of, the defendant was acting for and on behalf of the States Rights Party of Florida, a corporation organized under the laws of Florida for the purpose of bringing about, through legitimate action, the nomination and

election of candidates for state and national offices who would be favorable to the preservation of the rights of the several states of the United States reserved to them under the Constitution of the United States, and in the furtherance of said purpose the defendant participated in the publication of the paper called "Florida States Righter"; that one Forest Wolf and his wife, Helen Wolf, were the publishers of a paper in Florida called "The White Sentinel"; that the plaintiff was the publisher of a paper, sometimes in Jefferson, Indiana, and at other times in Birmingham, Alabama, called "The Thunderbolt"; that all of said persons, in their respective papers, advocated the nomination and election of state and national officers favorable to the preservation and restoration of "states rights", as that term is generally understood, and had for their common interest, purpose and ultimate goal the formation of a national political party to supplant one or the other of the two existing major political parties; that all of said persons were actuated in the pursuit of said common purpose and interest by the highest of patriotic motives, or so represented and so held themselves out to the public; that the alleged libelous language complained of consists of information furnished to the plaintiff by said Forest Wolf and Helen Wolf by means of their paper The White Sentinel and of information furnished by the plaintiff by means of his paper The Thunderbolt and of fair comment upon said information so furnished; that said information obtained through The White Sentinel and The Thunderbolt was believed by the defendant to be true and the comment thereon was fair and reasonable, and said matter complained of was published in good faith and without malice and in the honest belief that said publication would be for the public benefit and that it was the defendant's patriotic duty so to publish said matter.

XIV.

Mr. Pospisil smeared me as a communist and that I worked with Communists (all lies), and damaged my reputation as being a fighter against communism. I make my living writing and speaking against Communism, and Pospisil has damaged my reputation by circulating his libel charges all over the State of Florida and throughout the rest of the Nation. He has held me up to suspicion, ridicule and humiliation, thus seeking to turn my supporters and those who contribute to the organization for which I am employed against me so that they will no longer contribute to our work. His smear attacks were one of the main reasons Governor Faubus took his name off the Florida Ballot (after we went to great expense to place his name on said ballot). Florida was the only state he took his name off the ballot. He has created by his articles many rumors that spread throughout the right wing that I am not to be trusted, or am some kind of enemy agent. He made such attacks in the full knowledge that they were false, and in a malicious effort to destroy the work I was doing in Florida and thereby prevent us from placing our presidential ticket on the ballot, as he was trying to place his own ticket on the ballot at that very same time. I have suffered untold damages by his deliberately false stories, which will hurt my career as editor for years to come.

I ask for punitive and exemplary damages as these charges against me were totally unfounded and based on no facts or documentation.

SUBJECT: COUNTERINTELLIGENCE PROGRAM

DISRUPTION OF HATE GROUPS
(CARTOONS AND CARICATURES)

DATE: 4/15/65

Reference is made to Miami letter dated 11/18/64 and Birmingham airtel 12/22/64.

Referenced communications forwarded copies of cartoons and suggested that these, or similar cartoons, be prepared by the Bureau for anonymous mailings to disrupt Klan, or similar hate group, activities.

Attached for each office are five individually numbered Xerox copies of rough sketches prepared by the FBI Laboratory on the above-mentioned theme. Each office receiving this letter should review these sketches to determine if any of these cartoons, or a variation of a cartoon, is suitable for disruptive, anonymous mailing within its field office territory.

In the event it is determined such a mailing would have counterintelligence value, and would not adversely affect our informant development program, the Bureau should be advised together with complete recommendations. Thereafter, the cartoon selected will be prepared as requested and forwarded with instructions relating to its mailing.

COUNTERINTELLIGENCE PROGRAM

DISRUPTION OF HATE GROUPS

Re Bureau letter to Atlanta, dated 9/2/64.

Enclosed for the Bureau is one copy each of Miami airtels and letterhead memoranda dated 5/7/65 and 5/12/65, captioned "PROPOSED PICKETING FLORIDA STATE BUILDING, MIAMI, FLORIDA, 5/10/65, RACIAL MATTERS."

Also enclosed are 2 copies of "A Liberal Light" Vol. 3, #2, by Editors PETE and BILL CHRISTIANSEN.

Background information regarding PETE CHRISTIANSEN is set forth in enclosed letterhead memoranda. CHRISTIANSEN was selected as co-chairman of the Miami chapter of CORE in February, 1965, and is typical of the "beatnik-type" individuals who have aligned themselves with various civil rights movements.

CHRISTIANSEN's actions indicate he is using CORE for his own personal interests and that he would like nothing better than to start an incident. Miami feels it would be to the best interests of the Bureau, as well as CORE, to expose and disrupt his efforts.

Attached is a copy of 'A Liberal Light,' Volume III, Number 2, by Editors Pete and Bill Christiansen, which illustrates the views of the Christiansen brothers as being anti-police authority and opposed to good government.

Is Pete Christiansen, as chairman of CORE, hurting the rational efforts of the Negro freedom movement?

Does Pete Christiansen's actions indicate he is using CORE for his own personal interests?

I have known the Christiansens brothers for a number of years and I sincerely question whether they have the true interest of American and the Negro freedom movement at heart.

LEONARD C. PETERSON
Special Agent

It is, indeed, a peculiar irony that many local liberals are being persuaded that Miami Mayor Robert King High is "their" candidate for governor. Can our knowledge (or memory) be so limited as to pass over the mayor's record on matters of civil rights and civil liberties.

Item: On July 24, 1963, two city of Miami detectives appeared at the Greater Miami Peace Center, located in Coral Gables, and demanded records and schedules of all planned programs and activities. These same City of Miami policemen made repeated threats to the women in charge of the Peace Center, when the women questioned the reasons for such unusual and highly improper requests. The Mayor's office was contacted but made no reply.

Item: In October of this year, civil rights demonstrators at a Dairy Queen Drive-Inn, located in the City of Miami, were subject to a continuous barrage of obscenities by uniformed City of Miami policemen. The demonstrators were constantly dodging Miami police cars which attempted to ram the picket line. At one point a young woman with a baby in her arms was nearly knocked to the ground. On October 15, 1963, a young man was brutally assaulted by a Miami policeman, his hands smashed, and a camera stolen from him. The Florida Civil Liberties Union informed the Mayor's office of this incident, but to this date it has yet to receive a reply.

Item: On December 15, 1963 CORE and NAACP members, passing out literature at the Orange Bowl stadium were victims of a brutal attack by City of Miami police. A girl was literally knocked to the pavement, and then "placed under arrest." The girl had to be picked up off the ground by a physician and is still suffering from the wounds of the attack. A CORE leader was subject to a torrent of anti-Negro remarks by a group of uniformed City of Miami policemen.

The names of all the persons involved in the above incidents, both Miami policemen and victims, are on file with the Florida Civil Liberties Union.

If Mr. High is elected governor, we wonder if he will permit the state police authorities to operate as tyrannically as he is presently permitting the City of Miami police department to act, with regard to civil rights demonstrations.

Item: It has recently come to our attention that Mr. High, the self-proclaimed defender of Negro rights, deliberately has his children by-pass Coconut Grove Elementary School, an integrated school which is closest to home, to attend Sunset Elementary, a lily-white school many miles away. The school which the Mayor's children should normally be attending is Silver Bluff, which has both Negro children and a high percentage of Cuban children in attendance. No wonder many of High's supporters feel that the mayor will be right at home in Tallahassee.

The American people were recently treated to the annual spectacle of J. Edgar Hoover visiting the House Appropriations Committee with hat in hand, and his usual threatening stories to tell. Hoover, who has obviously learned well the art of getting money from Congress, sounded off against "reds" in the civil rights movement and alleged suppresses of a Communist recruiting drive among students. The first charge is as ironic as it is false. The charge is ironic because if there is any movement which has grown up out of the FBI's unwillingness to do their job, it is the civil rights movement. For decades Hoover's super-cops have sat on their hands while Negroes were subjected to violence not unlike that known to Hitler's Germany. The present civil rights revolution didn't alter the FBI's policies in the slightest and just recently the bureau played a yeoman role in indicting civil rights leaders in Albany, Georgia--truly a great contribution to the American social revolution. Hoover did not publicly name the "reds" so one is left to conclude that none of the civil rights leaders can be trusted, or, more likely, that Hoover cannot be trusted.

Hoover's account of Communist successes on American campuses are ancient revolutions from him and have become part of his annual diatribe calculated to steer tax dollars into the bureau's kitty. One might feel, from the constant barrage of FBI propaganda, that a communist takeover of the nation is imminent and Hoover is quick to exploit this fear. While the "conspiracy" grows yearly, according to Bureau statements, the FBI budget grows proportionately larger. It seems rather illogical to heap good money after bad toward the support of an obviously, and by its own admission, ineffective agency of Uncle Sam.

Mr. Hoover, a bachelor, insists on making pronouncements on marriage and family without any apparent stir of partiality. The role of Hoover as a marriage counselor does not limit his role in everyday politics of the nation. Hoover is probably the only government official who regularly speaks out on any and all political matters of the day. Whether he is calling for capital punishment or retaining the archaic House Un-American Activities Committee, Hoover remains a four-square political and economic reactionary.

The record of the FBI and his bureau stands just above motherhood on the list of American "sacred cows". Since Americans have shown the good sense to replace "apple pie" with lox and bagels it seems quite probable that J. Edgar Hoover may yield to his intellectual betters--the Beatles.

A Soviet Balalaika Is Added To Pete Seeger's Repertoire

PETE SEEGER
Historic concert

By ESTHER SHIELDS

MOSCOW — Pete Seeger, back in Moscow after a triumphal swing through other Soviet cities, was telling me about his enthusiastic audiences, when a birthday present arrived from his new Soviet friends. It was a balalaika, sent by the Philharmonic society.

You'll be playing it in your next concert, predicted one of Pete's friends, and that will really bring the house down.

Even without the balalaika,

Pete had no difficulty in winning his audiences in Leningrad, Kiev, Yalta, Tbilisi and Moscow. At least two concerts in every city.

"I couldn't imagine a friendlier audience," he exclaimed. "At the economics institute last night, the crowd showed great eagerness in singing along with me. They sang well, too. And I had fun singing with youngsters at one of Moscow's special English school sessions." Soviet folklorists brought a group of men and women in their sixties to sing old-time songs for him, songs for weddings and holiday

dancing, pensive and humorous love songs.

Pete added film footage of these singers to his world-tour collection.

"I filmed one of the Prolinsky Chorus musicians, too," Pete said.

"I was very glad to hear this chorus sing. I have admired them for a long time."

Pete also met with young Soviet composers, who performed their own songs and other compositions.

The Seegers also visited a

Ukrainian collective farm, where Pete sang with local farm workers.

They visited the Kremlin Palace Museum, pioneer palaces and a Moscow factory.

"I was lucky, too, in being invited to Soviet people's homes where we could talk informally," Pete added.

Now the Seegers are on the homeward course. For more than eight months they have been on the go from country to country. England, Scotland and Ireland are the last stops. They return to the U.S. in June.

All-star cast of singers oppose Prop. 14

LOS ANGELES — Three of the most famous names in the folk singing field, Pete Seeger, Joan Baez and Theodore Bikel, will make their first joint appearance on a West Coast stage on the evening of Sept. 28 at the Hollywood Bowl when they are scheduled to headline as diversifiers an evening of folk music as has ever been heard.

From all parts of the country, top folk singers are coming to the concert, which is expected to play before the largest audience ever to attend such a festival, as part of Southern California's effort to defeat the segregation initiative on the November ballot, Prop. 14. The program is sponsored by Young Californians Against Prop. 14.

Others who will perform at the Hollywood Bowl that night include The Dillards, Bessie Griffin and the Gray Singers, Joe and Eddie, the Modern Folk Quartet and Hedy West. Tickets may be obtained from the Hollywood Bowl office, Mutual Ticket Agencies, and offices of the Automobile Club of Southern California. Prices range from \$2 to \$7.50.

MOSCOW — Napoleon never conquered Moscow, but I'm sure none of Pete Seeger's friends will be surprised that he took the city in a single evening, with only his banjo, guitar and a little wooden whistle.

Pete's beguiling voice and bewitching enthusiasm, won the large crowd, crammed into the big Tchaikovsky Hall, April 10. Well, he did have an advance assist from a Moscow TV interview the previous night. But the best proof that he captured his live audience is that they stayed on 30 minutes after he finished clamoring for more. "I never saw anything like it," Pete exclaimed when I spoke to him after the concert.

He sang a generous program of 26 songs from different countries, songs of workers, songs of struggle, songs of peace, bourgeois blues and a song for Cuba's patriot, Jose Marti. Mostly American songs, of course. "We Shall Overcome" won the

most applause of all, when Pete added at the end: "Friends, this song is not just for Alabama and Mississippi. It's for you and me, for them!" And he swept his arms in a long swing away from the audience.

His Moscow fans knew what to ask for as encores. "When the Saints Go Marching" and Joe Hill were the two he chose to sing for them.

As usual, Pete got nearly everybody to join in singing some of the songs — particularly a South African song and Leadbelly's "Good Night friend."

I predict that by the end of his tour here, the whole Soviet Union will be singing in Hoote-nanyas.

After three concerts in Moscow, Pete will give at least 11 more in Leningrad, Kiev, the Crimea and Tbilisi.

Undoubtedly, Moscow will demand still more on his return May 1.

Pete Seeger, his wife, Toshi, their two children and manager Hal Levinthal reached the Soviet Union after an eight months tour of many countries, including Australia, Japan, Czechoslovakia and Poland.

From here, Pete goes on to Scotland and Ireland. He will complete his encirclement of the globe by his return to New York in June.

Hundreds of eager young people stood outside Tchaikovsky Hall long before Pete's concert, pleading to buy anyone's extra ticket. Two enterprising youths wore pencilled signs to attract attention.

Inside, the audience of over 2,000 included all ages, but everyone there was young with SEARCHED, SERIALIZED, INDEXED, FILED

Celebrities vs. Prop. 14

SAN FRANCISCO — A committee to defeat Prop. 14 has been formed in Hollywood under the chairmanship of film star Burt Lancaster and Gordon Stulberg, vice president of Columbia pictures.

As reported by The New York Times (Aug. 17), the committee numbers well over 150 and includes Gregory Peck, Frank Sinatra, James Garner, Charlton Heston, Art Linkletter, Steve Allen, Peter Falk, Gene Kelly, Van Heflin, Robert Goulet, George Hamilton and Milton Berle.

The organization's chief purpose, said Lancaster, will be to raise some \$750,000 for newspaper ads, TV and radio spots urging defeat of the proposition.

COMMITTEE ON UN-AMERICAN ACTIVITIES
HOUSE OF REPRESENTATIVES
EIGHTY-SEVENTH CONGRESS
SECOND SESSION

OCTOBER 10, 1962
(Including Index)

U.S. GOVERNMENT PRINTING OFFICE
WASHINGTON : 1962

60237

The hearings were protested by Youth Against the House Un-American Activities Committee, with headquarters in Room 201, 421 Seventh Avenue, New York, which issued bulletins and news releases attacking the hearings, chartered buses to carry youth protest delegations to Washington, held meetings and generally conducted a campaign of vilification against the committee.

One rally of the group held on January 31, 1960, featured Clark Foreman, executive director of a cited Communist front, the Emergency Civil Liberties Committee, as master of ceremonies. At that rally he lavishly praised Harvey O'Connor, an identified Communist. Pete Seeger, another identified Communist, provided entertainment. Mrs. Dorothy Marshall, who has a long record of service to Communist organizations over the years, was also featured on the program.

The committee also found significant the fact that the organization occupies the same rooms and uses the same staff as the Emergency Civil Liberties Committee, the principal aim of which is to abolish this committee and discredit the FBI.

After carefully evaluating the testimony and other evidence in its possession, the committee concluded that the Harlem Youth Congress and the Youth Against the House Un-American Activities Committee are organizations created and controlled by the Communist Party for the purpose of carrying on the Communist program among youth.

Several times in the course of the hearings when uncooperative witnesses expressed defiance of the committee, the protest delegation of the Youth Against the House Un-American Activities Committee, which picked the hearing room, broke into cheers and applause. The committee chairman had to threaten to clear the hearing room to maintain order.

The hearings provided a good example of how the international Communist apparatus functions in support of its own. At the time of the hearings the committee received 11 protest letters from youth organizations in as many foreign countries. Each of these letters expressed "sorrow," "concern," "astonishment," "distress," etc., that the committee had subpoenaed young Americans who had attended the Vienna Youth Festival in the interests of world peace.

The Communist inspiration behind these letters was apparent from the reference, in all the letters, to *only five witnesses*. Actually, ten witnesses who had attended the Vienna or other youth festivals were subpoenaed to testify in the hearings. The international Communist apparatus apparently had not heard about the four anti-Communist witnesses and did not learn about the sixth Communist witness (who was subpoenaed at a later date) until after the protest letters had been written.

COMMUNIST ESPIONAGE IN THE UNITED STATES

Testimony of Frantisek Tisler

Grim new evidence of the Communists' determination to strip America of its military and political secrets was offered to the committee during the past year by the testimony of Lt. Col. Frantisek Tisler.

¹ See "Communist Espionage in the United States: Testimony of Frantisek Tisler, Former Military and Air Attache, Czechoslovak Embassy in Washington, D.C., May 10, 1960, Hearing before Committee on Un-American Activities.

1450 COLD WAR AGAINST INVESTIGATION OF SUBVERSION

The chairman further described the book as "an absurd attempt to link the Committee to anti-Semitic, anti-Negro, anti-Catholic, and anti-immigrant prejudices."

Songs

The February-March 1961 issue of *Sing Out*, an alleged folk song magazine, featured a propaganda song about the 1960 Communist-instigated riots against the committee. *Sing Out* is edited by Irwin Silber, who was identified as a member of the Communist Party in testimony given this committee in 1952. An associate editor of the magazine, Pete Seeger, has also been identified as a party member. The magazine frequently features favorite Communist Party songs and newly composed party-line lyrics.

Following, as one example of *Sing Out's* numerous anti-committee melodies, are the lyrics of the San Francisco riot song, written to the tune of "Billy Boy":

Did they wash you down the stair, Billy Boy, Billy Boy,
Did they wash you down the stair, Charming Billy?
Yes, they washed me down the stair,
And they rearranged my hair
With a club, in the city hall rotunda.

Were there pigeons in the square, Billy Boy, Billy Boy,
Were there pigeons in the square, Charming Billy?
There were pigeons in the square,
And stool pigeons on the air,
And they fouled up the city hall rotunda.

Did they set for you a chair, Billy Boy, Billy Boy,
Did they set for you a chair, Charming Billy?
No the D.A.R. was there,
And there wasn't room to spare,
So we stood in the city hall rotunda.

Was the house committee there, Billy Boy, Billy Boy,
Was the house committee there, Charming Billy?
The committee, it was there,
Throwing slander everywhere,
While we sang in the city hall rotunda.

Did the people think it fair, Billy Boy, Billy Boy,
Did the people think it fair, Charming Billy?
No they didn't think it fair,
And they notified the Mayor,
And he wept, and he wept,
And he wept, and he wept,
While they mopped up the city hall rotunda.

CARTOONS

The Liberty Prometheus Book Club, New York City, has announced publication in the near future of a book entitled *A Quarter Century of Un-Americanism*. The book will be composed of derogatory cartoons and similar "art" work created over the years by opponents of the committee.

7. Other identified Communists, such as William M. Mandel and Douglas Wachter, attended the Du Bois Clubs founding convention. Five sons and daughters of Communist officials also were active at the founding convention: Bettina Aptheker; Margaret Lima; Oleta and Billy Proctor; and Eugene Dennis, Jr.
8. Greetings came to the convention from such pro-Communist groups as the South Vietnam Liberation Youth Union and the World Federation of Democratic Youth.
9. Articles in the New York Journal American and the Philadelphia Inquirer point out the Communist backing of the Du Bois Clubs. In one interview Jarvis Tyner, East Coast Coordinator of the Du Bois Clubs, admitted that some of the members consider themselves Communists.
10. Falsely accusing someone of being a Communist is libel, but there has been no reaction from the Du Bois Clubs in this way. They have denounced the charges as "red-baiting" but have not denied the essential truth, the fact that the W. E. B. Du Bois Clubs of America are nothing more than a new front of the Communist Party, a new propaganda tool of the atheistic, totalitarian system dedicated to "burying" you, the free American.

The only hope of the DuBois Clubs is that American youth are uninformed about the background of the clubs. For this reason, this pamphlet is being published by the Catholic War Veterans, Department of Pennsylvania, as an extension of the Pennsylvania Program. You are the target, don't be the victim.

TARGET....

AMERICAN YOUTH!

are the Target!

You, the student, the young American, interested in civil rights, free speech, political action; you are the target of the Communist Party. The Communist Party doesn't want to "bury" you, as Khrushchev said, they want to recruit you.

Why?

Because you are a potential leader of America.

How?

By using an effective Communist tactic -- the front organization.

When?

Today, according to Gus Hall, leader of the Communist Party, USA.

A new Communist youth organization was formed at a convention in June, 1964, in San Francisco. Led by young Communists the W. E. B. Du Bois Clubs of America came into being.

But where did the people at this convention get the idea to form a new group? How did all of them just happen to meet in San Francisco?

According to J. Edgar Hoover, Director of the Federal Bureau of Investigation, top Communist Party leaders decided to start the group as early as October, 1963, in order to recruit young people into the Communist Party and to spread the Communist Party line.

W. E. B. DU BOIS CLUBS OF AMERICA

What are the Facts?

1. The W. E. B. Du Bois Clubs of America are named after a Negro educator who publicly joined the Communist Party in the United States at the age of 93.
2. The Worker, the Communist Party newspaper, reported favorably on the founding convention, in San Francisco, of the Du Bois Clubs. According to The Worker, "A national socialist youth organization was born." Today the Communists use the word socialist to describe their program of world domination.
3. One Carl Bloice was elected a national officer in the Du Bois Clubs. The Worker pointed out that he is a staff reporter for The People's World, which is the west coast equivalent of The Worker, a newspaper published by the Communist Party.
4. The Communist youth magazine, New Horizons, folded when the Du Bois Clubs were founded and was taken over, conveniently, by the Du Bois Clubs.
5. Phil Davis, President of the Du Bois Clubs, has attended Communist Party classes in California, and when asked by a reporter if he was a communist, he took the "Fifth."
6. Archie Brown attended the founding convention. He is an admitted Communist and has run for public office in California as a Communist.

DISRUPTION OF HATE GROUPS

Enclosed for each office participating in this Program are one copy of a leaflet exposing the Communist Party (CP) spawned and controlled W.E.B. DuBois Clubs of America and one copy of a leaflet exposing the communist background of Pete Seeger.

Both these items utilize public source material to expose the communists. The first was researched by the Philadelphia Office with its layout and design produced by the Bureau's Exhibit Section. To avoid associating the Bureau with the DuBois Clubs of America leaflet, discreet arrangements were made for the Catholic War Veterans to sponsor its dissemination. The second leaflet was prepared by a private organization without the cooperation of the Bureau, to expose the communist musician, Pete Seeger.

These items have been used as counterintelligence techniques to expose the communists and they are forwarded to suggest possible techniques to publicly expose Klan and hate-type organizations, and their members. The Bureau will be pleased to assist any office participating in this Program in the preparation of such material. Offices desiring to have such material prepared should submit their recommendation to the Bureau together with pertinent public source material and with suggestions for design and layout.

[FOIA(b)(7) - (D)] also advised confidentially that KINNUCAN is quite upset over recent Klan activity in Ft. Lauderdale and was distressed earlier this week when he learned that BOB TWIST was hospitalized after incurring personal injury in a fight at Porky's Night Club in Oakland Park, Fla.

KINNUCAN is evidently unaware of BOB TWIST's involvement in the Ku Klux Klan.

[FOIA(b)(7) - (D)] stated that KINNUCAN's house is located on the inter-coastal at Ft. Lauderdale and his yacht is moored behind the house. BOB TWIST has access to the house and yacht. KINNUCAN maintains an expensive gun collection, valued between three hundred and four hundred thousand dollars in his home. The guns are unlocked and are maintained in working condition.

Indices of the Miami Office contain no derogatory information concerning KINNUCAN.

The Miami Office recommends that KINNUCAN be interviewed by Bureau agents and confidentially furnished with the following information, all of which has been obtained from Bureau Klan informants:

1. BOB TWIST is an active Klan member and acted as a security guard at the recent Florida State Rally, held at Ft. Lauderdale, on 7/3/65. In his capacity as security guard at the rally, TWIST appeared in full security guard uniform, consisting of white helmet, black boots and khaki uniform with Klan insignia.

2. He has in his personal possession at least 2 sub-machine guns which have been offered to the Klan.

3. He has made the statement to Klan officials that he has access to "an expensive gun collection of W. H. KINNUCAN" should the Klan need it.

2.

MM 157-1114

4. He was recently involved, along with other Klansmen, in a fist fight at Porky's Night Club, Oakland Park, Fla., which resulted in one Klansman firing a shot into the night club from a fleeing automobile.

5. He personally arranged for the accommodations of Imperial Wizard ROBERT SHELTON at the Marlin Beach Hotel, without knowledge or consent of hotel management. It will be pointed out that SHELTON was the principal speaker at the Klan rally held on 7/3/65. It will be suggested that had this fact become known to the Press it would undoubtedly have resulted in bad publicity for the hotel.

6. BOB TWIST's nephew, TED TWIST, is the Exalted Cyclops of the Southeast - Southwest Klavern of the UKA at Ft. Lauderdale and his brother, ED TWIST, is an officer of this Klan.

7. BOB TWIST has been seen in the cocktail lounge at the Marlin Beach Hotel with Assistant Grand Dragon for the State of Florida, CHARLES B. RIDDLEHOOVER, Exalted Cyclops TED TWIST and other Klan officials.

8. BOB TWIST was recently observed giving Exalted Cyclops TED TWIST several \$1,000. bills.

It is felt by the Miami Office that the disclosure of the above information to KINNUCAN will result in BOB TWIST's discharge by KINNUCAN as yacht captain and that KINNUCAN will sever all relations with him.

If this severance is effective, the following beneficial results can be expected:

1. The Klan at Ft. Lauderdale will no longer have access to KINNUCAN's firearms and thus it will be removed a potential source of violence.

3.

MM 157-1114

2. BOB TWIST will no longer be in a position to be a lucrative source of income for the Klan.

3. His dismissal by KINNUCAN will undoubtedly have a demoralizing effect on the whole Ku Klux Klan movement in Ft. Lauderdale.

The Miami Office requests Bureau authority to contact KINNUCAN for the purpose stated above.

Miami feels certain that Bureau informants will not be compromised and that such an interview with KINNUCAN will not result in embarrassment to the Bureau or the disclosure of Bureau interest in this matter.

The Bureau, by referenced airtel of June 8,

mailing of an anonymous communication which would portray
the true character of PETE CHRISTIANSEN, who had acquired
the position of Co-Chairman of CORE in the Miami area.

The mailing of this anonymous communication was
handled in accordance with Bureau instructions and directed
to a number of influential persons involved in the civil
rights field in the Miami area.

On July 16, 1965, some three weeks after the
Miami Division completed the anonymous mailing, Dr. JOHN O.
BROWN, Liaison Source - R of the Miami Division, advised
that PETE CHRISTIANSEN had resigned his position as Co-
Chairman of CORE in the Miami area. He indicated that
ostensibly CHRISTIANSEN resigned this position to assume
some type of employment with the Economic Opportunity
Program. No further details were available regarding
CHRISTIANSEN's future plans.

CHRISTIANSEN's replacement in CORE has not as
yet been named.

It would appear from the above that the action
authorized by the Bureau in connection with this particular

accomplishing the desired end.

Re Miami airtel to Bureau, dated 7/13/65, and Bureau airtel to Miami, dated 7/22/65.

On July 29, 1965, VICTOR RACK, Personal Secretary to WILLIAM H. KINNUCAN, 2880 N. E. 29th Street, Fort Lauderdale, Florida, furnished the following information:

BOB TWIST recently, while KINNUCAN was in an intoxicated condition succeeded in obtaining KINNUCAN's signature on 16 Klan documents, including a Klan application card. When KINNUCAN, the following day, was unable to recover these documents from TWIST, he retained a Fort Lauderdale, Florida Attorney, RONALD SLATON, instructing SLATON to endeavor to contact Klan officials and regain possession of all documents bearing KINNUCAN's signature.

RACK, who is deeply concerned over KINNUCAN's having become involved in the Klan through TWIST, has decided with KINNUCAN, to discharge BOB TWIST. KINNUCAN intends to notify TWIST when he puts his yacht in dry-dock next week, before leaving on a two month vacation, that TWIST's services as a Yacht Captain will no longer be needed.

In view of the above, no purpose would be served in contacting Mr. KINNUCAN at this time, and the Miami Office will not do so unless advised to the contrary by the Bureau.

(CARTOONS AND CARICATURES)**

Enclosed for each office is one enclosure consisting of six individually numbered Xerox copies of cartoons prepared and sent to the Bureau by the New Orleans Office. These cartoons depict Ku Klux Klansmen in conversations which tend to make the organization look ridiculous.

It is believed that by strategically disseminating cartoons of this type in areas frequented by Klansmen, a salutary effect will be achieved in causing Klansmen to think about the public image which they create.

It is also believed that strategic dissemination of this type of material will serve as a hindrance in recruiting programs among non-Klansmen.

Each office receiving this letter should review these cartoons to determine if any of these, or a variation of a cartoon, is suitable for use, anonymously or through friendly news sources within its field office territory.

In the event it is determined these cartoons would have counterintelligence value, and would not adversely affect our informant development program, the Bureau should be advised together with complete recommendations. Thereafter, the cartoons selected will be prepared as requested and forwarded with instructions relative to its use.

In the event any office believes a caricature-type cartoon, based on a different theme, could be effectively used to disrupt the Klan within its territory, a rough draft of such a cartoon should be submitted to the Bureau together with recommendations for its preparation and subsequent use.

No counterintelligence activity should be taken without specific Bureau authority.

Re Miami airtel to Bureau 6/30/65.

PROPOSED COUNTERINTELLIGENCE ACTION

Three Klaverns of the UKA have recently been formed in Broward Co., Fla., and at the present time a Klavern of the UKA is being formed in Miami, Dade Co., Fla. The motivating force behind the formation of the Miami Klavern comes from JOSEPH FRANCIS SIDDONS, SR., and he has been assisted by JACK H. GRANTHAM, described as white male, born 3/1/38 and resides 18710 N. W. 44th Ct., Miami, Fla. GRANTHAM has been selected as the E. C. SIDDONS is well known to the Miami Office and considerable information has been furnished to the Bureau regarding him. Background information re SIDDONS is set forth in the enclosed airtel and lhm dated 2/24/64 at Miami, Fla., captioned "JOSEPH FRANCIS SIDDONS, SR., RACIAL MATTERS. OO: MIAMI".

SIDDONS reportedly is the secretary of the Miami Klavern. At the present time there are approximately

15 individuals who are members of the Miami Klavern and as soon as 25 members have been obtained, a Klan charter will be issued. Out of the 15 present members, Miami Office has two informants who are furnishing information. They are identified as

FOIA(b) (7) - (D)

is presently under development and his activities are not being directed by the Bureau, although information furnished by him is being accepted.

Pertinent information re the Miami Klavern has been furnished to the Intelligence Units of the Miami PD and the DCSO.

Information was furnished to the DCSO that on the evening of 9/14/65 an initiation of new members for the Miami Klavern would take place at a vacant house at 6048 S. W. 19th St., Miami, Fla. Neither of Miami informants planned to attend this initiation since neither informant had developed any new members for the Miami Klavern.

Lt. LESLIE VAN BUSKIRK, Intelligence Unit, DCSO, advised that officers from his department as well as squad cars would be in the area of the initiation and would pick up tag numbers and possibly cause some embarrassment to the officials as well as placing question marks in the minds of the new members as to whether they should be joining the Klan.

Also enclosed for the Bureau is a newspaper clipping from "The Miami News" dated 9/15/65, which reports on the results of the coverage afforded the Klan meeting by the DCSO.

In addition to the information in the newspaper clipping, the DCSO Officers interviewed and obtained the names of 6 individuals, 3 of whom were active Klan leaders from Ft. Lauderdale, 2 who were possibly new recruits to the Klan, one being NOLAN LAWRENCE BEATTY, in addition to JACK H. GRANTHAM the E. C. of the Miami Klavern, who was stopped by the Dade County Officers after leaving the meeting and issued a ticket for not having a driver's license.

MM 157-1114

Lt. VAN BUSKIRK advised as a result of the coverage of this meeting by the DCSO, Klan members NOLAN BEATTY contacted DCSO Security Guard, a friend of his by the name of CHARLES SYMPSON, 1770 N. W. 24th Court, and questioned him re the Klan. BEATTY asked SYMPSON if he would be willing to join the Klan and SYMPSON replied he would consider this and would let him know as soon as possible.

After being contacted by BEATTY, SYMPSON immediately telephonically contacted the Miami Office of the FBI re this contact and in addition contacted Lt. VAN BUSKIRK. VAN BUSKIRK later advised he discussed this matter with Dade Co. Sheriff T. A. BUCHANAN and they have decided to let SYMPSON join the Klan. SYMPSON then informed VAN BUSKIRK he had been contacted for the specific purpose of obtaining confidential information from the SO and in particular, to ascertain which Klan member had informed the SO re the initiation on the evening of 9/14/65. Lt. VAN BUSKIRK stated that on the evening of 9/17/65, CHARLES SYMPSON was contacted at his residence by JOSEPH SIDDONS and JACK GRANTHAM and interviewed by them, after which they furnished SYMPSON with an application blank to join the Klan. They were both impressed with SYMPSON and according to a statement made by GRANTHAM, SYMPSON is officer material for the Klan. VAN BUSKIRK advised SYMPSON is scheduled to be initiated into the Klan on the evening of 9/23/65.

In addition, VAN BUSKIRK stated that they plan to funnel information to the Klan through SYMPSON and will attempt to expose one of the Klansman as having furnished the information to the SO.

Based on the information set forth above, it would appear this is an excellent opportunity for the Miami Office to suggest to the DCSO the possibility of exposing JOSEPH SIDDONS as the police informer. This could be handled by the SO preparing a secret and confidential report on fabricated contacts with SIDDONS setting forth pertinent positive information re the Klan in Broward and Dade County, Fla., in addition to background information concerning SIDDONS.

MM 157-114

Bureau authority is requested to make the above suggestion to the Intelligence Unit, DCSO and furnish them known background info re SIDDONS. In addition, since SIDDONS has attended Klan meetings in Ft. Lauderdale, the identities of Klan leaders in Broward Co. along with the known members of the Miami Klavern and other pertinent information re Klan activities such as SIDDONS attendance at a Klan rally in Wildwood, Fla. on 9/4/65. In connection with members of the Miami Klavern, it would be desirable to furnish the names of Miami informants since not to do so might tend to expose their identity. Of course, the SO would not be advised that these individuals are Klan informants for the Miami Office.

It is believed the above intelligence action would create considerable dissention among the members of the Miami Klavern as well as dissention among the leaders of the Broward Co. Klavern.

On 9/24/65 Lt. VAN BUSKIRK advised that SYMPSON was initiated into the Miami Klavern on the evening of 9/23/65 with 7 other men. Election of officers for the Miami Klavern was held, since they now have 25 members and SYMPSON has been elected to the office of Secretary. SYMPSON furnished pertinent information as to this Klan meeting.

national veterans' organization, with local offices at 521 S. Federal Highway, Fort Lauderdale, Florida. The address of the national headquarters is in care of CHARLES WEAVER, National Adjutant, National Headquarters, Marine Corps League, 1003 N. Randolph St., Arlington, Va., 22201.

Although enclosed photograph was taken by "Fort Lauderdale News" photographer BILL BATES, this photograph has never appeared in any newspaper.

In an effort to disrupt and disclose klan activity in Fort Lauderdale, the Miami Office can, through confidential contacts with the managing editor of the "Fort Lauderdale News", arrange to have TWIST's photograph published with an accompanying article on his position as an officer of the Marine Corps League. This newspaper article can be effected without any embarrassment to the Bureau by revealing the source of the article to the public.

Miami is of the opinion that the publication of TWIST's photograph in the klan robes in the local newspaper would result in embarrassment to the TWIST family, all of whom are involved in klan activities; disruption of klan recruitment activities in Broward County; and materially damage business at TWIST's Sport Bar. Therefore, the Miami Office requests that the Bureau approve this course of action.

If the Bureau feels such publication as proposed above may result in unwarranted criticism of the Marine Corps League, then it is alternately suggested that the Bureau authorize that this photograph be anonymously mailed to the Marine Corps League headquarters in Arlington, Va.

However, it is emphasized that Miami feels more will be gained in disrupting klan activities by exposing the TWIST family by publication of the newspaper article.

**COUNTERINTELLIGENCE PROGRAM
INTERNAL SECURITY
DISRUPTION OF HATE GROUPS**

I am well pleased with the positive results which have been realized as a result of the variety of counter-intelligence techniques and operations which have been directed against Klan-type and hate groups during the past several months.

The number of new, unique and ingenious counter-intelligence techniques which have been recommended by the field indicate investigative personnel are affording this program imaginative attention.

It is my desire, however, that all offices receiving this letter should very actively participate in this program maintaining an imaginative and aggressive approach. I also want to impress upon the recipient offices, that all investigative personnel responsible for Klan-type and hate group investigations be alerted and encouraged to submit counterintelligence recommendations relating to their individual investigations. The responsibility for counterintelligence action should not be delegated exclusively to the Agent assigned to the Program, who should be acting in the capacity of coordinator.

Klan Dragon Here Protests Arrest

By **BILL BARRY**
Reporter of The Miami News

The grand dragon of a newborn Ku Klux Klan group complained today that Dade County deputy sheriffs swooped down on him like highwaymen in the night. And, he said, "They took a lot of stuff out of my car — my personal property — that they were not authorized to take."

Charles Baker Riddlehoover, 31, of 3111 Houston St., Fort Lauderdale, said he is "just an everyday man like everybody else." He is a sheet metal worker and the father of three.

"I've always been a member of the Klan," he said. "Most white people are, or should be." He supposedly formed the United Knights of the Ku Klux Klan at a recent Melbourne meeting after becoming dissatisfied with the leadership of the United Klans of America.

Riddlehoover said he would rather not comment about reports that the new group was formed partly because there was no accounting of money paid into the treasury of the United Klans.

A congressional investigation of the KKK is delving into what happens to money after it is dropped into the Klan coffers. Riddlehoover said he was a passenger in his own car on the North-South Expressway about 10:15 Thursday night when two carloads of deputy sheriffs swooped down on him.

He said his car was being driven by 28-year-old Harold Grantham, of 18710 NW 44th Ct. Grantham is supposed to be the exalted cyclops of the new Klavern.

He did not deny that there were more people in the car with them. "I'd rather not comment on that," he said. "We were visiting some people in Miami."

Asked if the visit was to organize in Miami, he said: "We're organizing all over the United States."

When the deputies stopped his car, he said, they claimed Grantham was speeding. "He wasn't," Riddlehoover said. "There were two carloads of them. They had this strategy planned."

The deputies, he said, made the people in his car get out and stand with their hands on the hood of the vehicle while they were searched. His .22 caliber automatic pistol was found strapped to the driver's side door. It was exposed in a holster, he said.

The deputies took certain boxes of papers and records without showing him a search warrant, he said.

Later he was charged with possession of a firearm by a convicted felon. He refused to say what he had been convicted of, but said, "It's 13 or 14 years old." He is free on \$500 bond.

Grantham was charged with careless driving and also was released.

Riddlehoover said he thinks someone has tapped his telephone but he did not accuse the sheriff's men of doing it.

According to sheriff's reports, deputies arrested Riddlehoover and Grantham after several months of intensive investigation of Klan activities around Miami.

One of the papers confiscated from Riddlehoover's car supposedly states: "The only way to withdraw from the United Knights of the Ku Klux Klan Inc. is feet first."

The papers also were said to include a membership list of about 15 names, but Riddlehoover said he could not comment on that "because it would be a violation of my oath."

For the same reason, he said, he could not comment about papers that seemed to concern Klan rallies planned in several Florida cities within the next two months. He also said he could not say if the rallies will be called off now.

The new group, he said, is organized "principally along the same lines" as the parent outfit.

The Klan robes and masks apparently were carried over to the maverick group, and the ladies are organizing an auxiliary similar to the one operated by their national sisters.

Officials at sheriff's headquarters said they could answer no questions about the new Klavern, or why it was being investigated.

They said the case is being handled by Lt. L. J. Van Buskirk of the Criminal Intelligence Section, who was unavailable for comment.

The sheriff also was not available for comment. A call to his home produced the information, "he's gone fishing down in the Keys."

'I Might Go Feet First Myself'

By **FORD BURKHART**

FORT LAUDERDALE

With the bed sheets still on the beds, the Grand Dragon of the Ku Klux Klan granted an audience Saturday, proudly noted his plaque as "Jaycee Man of the Year," and threatened to sue policemen "for violating my civil rights."

Dragon "Rip," or Charles Baker Riddlehoover, as he is more formally known, suffered the indignity of arrest the other evening.

Dade sheriff's men stopped him on the North-South Expressway and found a .22 caliber automatic strapped inside a car door and KKK literature saying the only way to quit the Klan is "feet first."

"Don't care to comment on that," said Riddlehoover, 31, a brawny, 200-pound

sheet metal worker who kept his eyes on a TV football game Saturday during an interview at his home at 3111 Houston St.

"Who knows? I might go out of the Klan feet first myself."

Police charged him with possession of a firearms by a felon. The Dragon didn't care to comment on that either.

"That was way back. It is

Rip Riddlehoover

... proud of award

something I wouldn't hold against another man," he said.

The Dragon denounced his tormentors. "The police kept me waiting there in the car for the television photographer to arrive. I'm going to sue."

Then, after a pause for a crucial third down and three yards to go, he said, "Of course, I got no hard feeling for the sheriff. We don't

have no problems with the law enforcement."

The audience Saturday occurred in the Dragon's front parlor, where he wore black boots and a cowboy shirt with pearl snaps unbuttoned at his exposed belly-button.

On the wall was a plaque: "Fort Lauderdale Jaycee Man of the Year, 1963."

"I suppose that was for

my help with kid softball teams."

Arrested with the Dragon was his Exalted Cyclops, Jack Harold Grantham, 28, of 18710 NW 44th Ct., who was charged with reckless driving.

The Klan, he said, is "good all the way." "We are in favor of niggers having rights — as long as they don't encroach on our rights."

"It is the communists we're fighting," he said.

Gun Found In Auto, Police Say

By GENE MILLER
Herald Staff Writer

Dade sheriff's deputies Friday arrested two self-proclaimed Ku Klux Klansmen — a Grand Dragon and an Exalted Cyclops — and seized documents saying the only way to quit the Klan is "feet first."

The Dragon, Charles Baker (Rip) Riddlehoover, 31, quit the United Knights of the Ku Klux Klan last July and formed his own splinter group in Broward County.

Local police charged him Friday with possession of a firearm. He was freed on \$500 bond.

Arrested at the same time — for careless driving — was the Cyclops, Jack Harold Grantham, 28, of 18710 NW 44th Ct. He was released without bail.

Riddlehoover's gun, a .22-caliber automatic, was strapped to the door of a car, police said.

They also confiscated two briefcases and a cardboard box, described as containing "secret documents" and a list

of 15 members, including two Miamians and two men from Fort Lauderdale.

Sheriff T. A. Buchanan identified the two Broward men as "prominent businessmen," according to United Press International.

One of the confiscated documents declared that "the only way to withdraw from the United Knights of the Ku Klux Klan, Inc., is feet first," police said.

Again, based on records seized, investigating officers said the new group was formed in a meeting at Melbourne.

Riddlehoover, of 3111 Houston St., Fort Lauderdale, quit the United KKK with a flourish at a rally north of Fort Lauderdale July 3, saying: "I've lost my job."

"Dozens have come up and give me the secret handshake," he said then.

At the Melbourne organizational meeting, police said, the group decided not to change United Klan rituals, or robes.

According to police, the women are forming "a ladies auxiliary group."

The police also said the new Klan planned a series of rallies in several Florida cities in the next two months.

Among them are: Cross City, Nov. 13 and 14; Pompano Beach, Nov. 20 and 21; Wildwood, Nov. 27, Tavares, Nov. 28, and Jacksonville, Dec. 4 and 5.

Hoods were to be worn at the rallies and tags with numbers were to be substituted for name tags, police said.

A policeman arrested Grand Dragon Riddlehoover and Exalted Cyclops Grantham when Grantham violated the traffic laws on the North-South Expressway early Friday, officers said.

According to the Associated Press, Lt. V. J. Van Buskirk of the criminal intelligence section of the Sheriff's Department, said the arrest culminated several months of intensive investigation.

Referenced teletypes set out information regarding activities of the Dade County SO in connection with their arrest of CHARLES (RIP) RIDDLEHOOVER, Grand Dragon, United Knights of the Ku Klux Klan, Ft. Lauderdale, Fla., for carrying a concealed weapon after having been convicted of a felony, and the arrest on a traffic citation of JACK HAROLD GRANTHAM, Exalted Cyclops of the Miami Klavern of the United Klans of America, Inc. At the time of these arrests, considerable Klan material was seized by the Dade County SO, the substance of which is set forth in referenced LHM dated 10/27/65.

The arrest of these two individuals and the subsequent expose in connection with the material seized, has been the subject of widespread publicity in the South Fla., area, both through the local press as well as television. One station, Channel 7 (WCKT), Miami, has

devoted considerable time to the Klan activities in South Fla., and contemplates further programs based on the information furnished by the Dade County SO.

Enclosed for the Bureau are 3 copies each of three articles which have appeared in the local Miami papers.

The Miami Division recommends that the Bureau favorably consider making available this material to the House Committee on Un-American Activities, presently conducting hearings regarding Klan activities, with the thought in mind that possibly they would be interested in subpoenaing some of the people who have been exposed in connection with the Dade County arrests.

In this connection, there are also being enclosed two copies of the press release made by the Dade County SO which contains information which would be of considerable interest to the Committee. This press release sets forth the entire list of officers of the new Klan group being formed in Fla., by CHARLES RIDDLEHOOVER. There is little question but that any additional spotlight thrown upon this group would further disrupt their recruiting plans and organizational plans, which are presently in the embryo stage. It is further pointed out that the Dade County SO seized considerable Klan material, which, likewise, would be impressive before the House Committee on Un-American Activities, which would be effective in further combating this group and exposing them to the light of public scrutiny.

In the event the Committee would be interested in the production of such material, it is felt that Lt. L. J. VAN BUSKIRK, Supervisor, Criminal Intelligence Section, Dade County SO, would be willing to, and would make an impressive witness before the Committee.

MM 157-1114

The arrest of RIDDLEHOOVER and GRANTHAM has stirred up considerable dissension among the Klan members in South Fla., and it is felt that if, through the Committee, additional light could be focused on this area, it might be sufficient to completely destroy Klan activity in this area.

Information has just been received by the Miami Office that JACK GRANTHAM, the Exalted Cyclops of the Miami Klavern, who was arrested and issued a traffic citation at the time of RIDDLEHOOVER's arrest, is allegedly extremely upset over the chain of events and has indicated he was resigning from all Klan activity. In addition, over the week end he allegedly received a self-inflicted gunshot wound in the left arm, which is currently being investigated by the Dade County SO. The SO contemplates re-arresting GRANTHAM on the same charge RIDDLEHOOVER was arrested on, namely, the possession of a firearm by a convicted felon.

The Miami Division is of the opinion that if the above recommended action could be taken, the ability of the Klan to make further inroads in the entire State of Fla., would be materially diminished.

The Miami Division strongly recommends that all or a portion of the above suggestions be favorably considered and implemented.

Ex-Member Calls Klan Subversive

By FORD BURKHART
Of Our Broward Bureau

FORT LAUDERDALE —

A young ex-Klansman, who paraded in a borrowed Ku Klux Klan hood and robe last July, Thursday renounced the Klan as "subversive" and "just not for me."

Ted Twist III, 26, who said he was a state official in a Marine Corps veterans organization, said he joined the Klan "to fight communism."

"I didn't like being in the Klan. I saw what it was. And I got out. They haven't bothered me since," Twist said.

Twist said he was a member for "about a month," after their cross-burning rally in North Broward County.

Tavern-operator Twist — who has lived with his wife and four children in Southeast Fort Lauderdale four years — said he couldn't speak for his father and other relatives, who were identified by Dade County Sheriff's Deputies as Klansmen in a statement to the press Thursday.

The Dade deputies said the Twist family men were named in Klan records discovered when they arrested another Klan official on a traffic charge.

Secret Klan Documents Name 4 Here

(Probe Continues—16A)

The names of four members of a Ft. Lauderdale family, including a bar operator and a boat captain, are listed in secret Ku Klux Klan documents seized last week by the Dade County sheriff's office.

They are:

Ted Twist III, 26, of 1671 SW 27th Ter., operator of Ted Twist Sports Bar, 1536 Cordova Rd. Ted also is senior vice commandant of the Marine Corps League of Broward County, second highest post in the organization of former Marines.

Ted's father, Edward H. (Ted)

Twist Jr., 43, of 2407 Sugarloaf Lane, a mechanic at Twist Repair Shop, 4451 State Rd. 84.

Ted's uncle, Robert Twist, who is 39 years old today, is listed as captain of a yacht in Ft. Lauderdale.

And Ted's younger brother, Ronald Jeffery Twist, 23, of 3399 SW 17th St., listed as employed at Twist's Repair Shop.

R. TWIST

Authorities estimate membership in two Ft. Lauderdale klaverns at 100. Klansmen here reportedly were meeting on a weekly basis until the national organization came under the scrutiny of the House Committee on Un-American Activities in Washington last month.

Robert, whose criminal record began in 1947 when he was charged with armed robbery in Philadelphia, Pa., reportedly registered Imperial Wizard Robert Shelton at a Ft. Lauderdale beach hotel this summer.

SHELTON HERE JULY 3

Shelton came to Ft. Lauderdale to address a KKK rally here July 3, attended by Edward and Ted Twist in full Klan regalia.

The Twists were among several Broward Countians listed in documents confiscated by Dade sheriff's deputies when they picked up C. B. (Rip) Riddlehoover, 31, of 3111 Houston St., Melrose Park.

Riddlehoover, a passenger in a car stopped on a traffic charge on a Miami expressway, was charged with possession of firearms by a convicted felon.

Dade sheriff's deputies said he admitted ownership of a .22-caliber gun found strapped to the car door.

Riddlehoover since has registered with the Broward County sheriff's office. He was convicted of armed robbery and carrying a concealed weapon following an arrest in Atlanta, Ga., in "1952 or 1953," he said.

Robert Twist pleaded guilty to charges of armed robbery in Philadelphia, Oct. 15, 1947, and was sentenced to 2 to 10 years in Eastern State Penitentiary.

He was released in 1948 and given three years probation. He was arrested again in 1956 in Bridgeton, N. J., on charges of desertion and non-support and in Hammonton, N. J., on a worthless check charge.

Edward Jr., who reportedly succeeded his son recently as exalted cyclops of the Ft. Lauderdale klavern, was charged here with assault and battery in a warrant signed by his wife, Catherine Elizabeth, Nov. 3, 1964.

However, on Dec. 3, Mrs. Twist asked that charges be dismissed.

Ted III was charged with assault and battery in a warrant signed by his wife, Helen M., June 14, 1963.

That charge was dropped Aug. 12 at Mrs. Twist's request.

Both charges were filed with the Broward sheriff's office.

Records now being studied by Dade sheriff's investigators listed Riddlehoover as top man in a new Florida Klan organization, in which the only way members could withdraw was "feet first."

Sheriff T. A. Buchanan said secret documents listed "several prominent Broward County businessmen" among the membership.

As can be seen from enclosed articles, excellent results continue to accrue from the publication from original article in this matter exposing the Twist family as Klansmen.

EDWARD HIRAM TWIST III has claimed to have resigned, from the Klan and his father, EDWARD HIRAM TWIST, Jr., Exalted Cyclop of Klavern #6, Ft. Lauderdale, Fla., stated he is thinking of resigning from the Klan.

On November 8, 1965, MILTON J. KELLY, Managing Editor, "Ft. Lauderdale News", advised that JAMES SPEAR, Commandant, Marine Corps League, Broward County, Fla., advised him that on November 13, 1965, at 3:30 p.m., a special inquiry board will conduct a hearing into the EDWARD HIRAM TWIST III case at which time an expulsion from the Marine Corps League will be considered. According to SPEARS, two Marine Corps League officials from out of town will be at this hearing. KELLY advised that reporters from a newspaper will be present at the hearing and that it will receive full newspaper coverage.

The Bureau will be constantly advised of additional developments in this matter.

Klansman Quits But Probe Eyed

(Arrests Foreseen—16A)

The National Marine Corps League has ordered an investigation of the Ku Klux Klan activities of one of its Ft. Lauderdale members.

"We will investigate to determine what the facts are," said Burton Daugherty, League national commandant in Lansing, Mich.

Ted Twist III, 26, of 1671 SW 27th Ter., said today he quit the Klan after he found out it was on the subversive list.

"I joined it to fight communism," he said.

Twist was described by Jim Spear, commandant of the Broward Marine Corp League, as one of the organization's best members.

Twist won a League membership drive last year and was cited by the state league, with which he is senior vice commandant. He also is senior vice commandant of the Broward chapter.

He said the League is first in his heart "and I hope to go further (in the organization) if this (Klan publicity) doesn't hurt me."

"This could affect his status," said Spear. "He'll have to give us an explanation."

Operator of Ted Twist Sports Bar, 1536 Cordova Rd., the former Marine corporal, in open-faced Klan hood and tunic, appeared at the July 3 rally here, featuring Klan Imperial Wizard Robert Shelton.

Twist's name, and the names of three members of his family, Edward H. Jr., father; Robert, uncle; and Ronald, brother, were listed in secret Klan records seized last week by the Dade sheriff's office.

Park, was arrested when the records were seized and charged with possession of a gun by a convicted felon.

Riddlehoover has since registered under the Criminal Registration Act with Sheriff Allen B. Michell. The klansman has lived in Broward six years.

Michell has come under fire of the National Assn. For the Advancement of Colored People. The sheriff said he will not answer the NAACP's written complaint that he has failed to "investigate and expose the Klan."

The complaint was contained in a letter signed by Samuel W. George, president of the Broward NAACP chapter.

"As long as any group, I don't care who it is, participates in a lawful and orderly assembly, we can't do anything and won't, but if they violate the law, we will step in," said Michell.

Authorities estimate Klan membership in two Ft. Lauderdale Klaverns at 100.

Their meetings recently have become infrequent because of Congressional hearings of the national Klan now under way in Washington.

Riddlehoover and Robert Twist have been convicted of armed robbery.

Seized records show Riddlehoover as top man in a new Florida branch of the Klan, which decrees the only way a member can withdraw is "feet first."

Ex-Marine Ted Twist said he has received no pressure from his family to stay in the organization. "What they do is their business."

His father, Edward, declined to discuss his son's withdrawal over the phone or his own status.

Calls Warn Twist's Bar Bomb Target

Four threatening telephone calls sent police to the Ted Twist Sports Bar, 1536 Cordova Rd., to check out bomb reports Friday.

"In 15 minutes a bomb will go off in Ted Twist Sports Bar," a male caller told police. A few minutes later, a caller, apparently the same man, warned officers at the desk the bomb would explode "in five minutes."

Two other threatening calls also were received by the bar operator yesterday, Lt. Jack Miller said.

Police checked out the reports but found nothing.

The caller sounded like a "White male about 20 years old," police said.

Ted Twist III, 26, operator of the bar, was among Ft. Lauderdale residents listed in Ku Klux Klan documents confiscated by the Dade County Sheriff's office last week. Twist said yesterday he quit the klan after he found out it was on the subversive list.

Bomb Scares Reported At Ex-Klansman's Bar

FORT LAUDERDALE — A bomb scare hit the Ted Twist Sports Bar Friday just a day after it was publicized that Twist's name was on a secret Ku Klux Klan document.

Police report two bomb scare calls came to Fort Lauderdale headquarters from a "soft-voiced male" around 6:30 p.m. The caller said a bomb in the Sports Bar, 1536 Cordova Road, would go off in 15 minutes.

Det. Lt. Ed Miller said the bar was called and the barmaid was advised to clear patrons until a search was made. The search was negative, Miller said.

Police reports say two earlier calls were made to the bar itself. The caller was reportedly a soft-voiced male.

Twist, 26, of 1671 SW 27th Ter., was named by Dade County sheriff's officials as being listed on a secret KKK document confiscated last week when a Klan official was arrested.

Second Klansman May Quit

Bomb Scare 2BR

FORT LAUDERDALE — A second local Klansman named in Ku Klux Klan documents as a member may quit the Klan.

Edward H. Twist Jr., of 2407 Sugarloaf Lane, said, "I've been thinking about turning in my resignation to the Klan for three weeks."

He would not give any reasons for wanting to quit.

But he said he did not

share the thinking of his son. Edward Twist III, who told The Herald he quit the Klan because it was "subversive."

"Everybody has their own reasons. He has his — I've got my own," said the elder Twist.

Father and son were part of a list of Klansmen released by the Dade County Sheriff's office recently. The list was part of a file of Klan documents seized when

Dade deputies arrested a state Klan official on a traffic charge.

Edward Twist III, who runs a tavern, and auto repair shop and an auto sales lot on the west side said he joined the Klan just before a local rally in June and quit a few days later.

"I saw what it was. And I got out. They haven't bothered me since." The younger Klansman told The Herald.

(Staff Writer)

Fellow Marines Saturday recommended Ted Twist III be reprimanded by the national board for his one-time affiliation with the Ku Klux Klan.

A five-man state board, in a closed hearing, interrogated Twist, second highest officer in the county and state Marine Corps Leagues, and said they felt he should be reprimanded but not drummed out of the League.

In a prepared statement issued at the end of a 2½-hour private hearing, C. H. (Blackie) Downing, St. Petersburg, national vice commandant, southeast division, said:

"Ted Twist is a human being and therefore is not infallible. He did make a mistake, but he found out long before the Marine Corps League was notified along with the public by the news media of his membership in the Klan.

"The Marine Corps League is not in any manner, shape or form connected with Mr. Ku, Mr. Klux or Mr. Klan, or with any other group whose constitution is not in full accord with our constitution and by-laws.

"Full details of this investigation will be presented to the national staff with the recommendation that he be reprimanded for his errors.

"We do not feel he should be drummed out of the Marine Corps League because of one error."

RECOMMENDATION

The recommendation will be forwarded to the national commandant and acted upon by a national board at a Washington meeting next Feb. 4-6.

There is no indication the national board will follow the recommendation of the state group, Jim Spears, commander of the Broward County Detachment and member of the inquiry board, said.

"There are three possible alternatives the national board could take," according to Spears.

"They could eliminate him from membership, they could take no action or they might place him on probation."

Twist, 26, operator of Ted Twist Sports Bar, 1536 Cordova Rd., appeared relaxed and composed as he greeted fellow ex-Marines outside the League headquarters, 521 S Federal Hwy., before the Saturday afternoon hearing.

He said he joined the Klan in "late June and remained a member about one month but did not hold any office.

He attended a Klan rally in Ft. Lauderdale July 3 wearing the group's "uniform," a white robe and hood.

Names of Twist, his younger brother, Ronald; his father, Edward Jr., and his uncle, Robert, all of Ft. Lauderdale, appeared in secret documents seized by Dade County sheriff's deputies when they picked up C. B. Riddlehoover, 3111 Houston St., Melrose Park, self-proclaimed grand dragon of a new Klan group, in Miami in October.

Enclosed for the Bureau are 2 copies of
"Ft. Lauderdale News" article entitled, "Former Klansman
Voted Reprimand."

With the appearance of numerous newspaper articles
exposing Klan activities in the South Fla. area, and because
of them; it has been ascertained from racial informants that
all Klan meetings in Dade and Broward Counties (4 Klaverns)
have been discontinued indefinitely.

If and when these meetings are resumed, it is
expected that Klan membership and attendance will have
decreased considerably.

According to FOIA(b)(7) - (D), EDWARD HIRAM TWIST,
JR., Exalted Cyclops of Klavern #4, at Ft. Lauderdale, Fla.,
has stated that he expects this "Klavern will fall apart"
because of the adverse publicity the Klan has received

Records of the USN, Military Records Center, St. Louis, Mo., disclosed subject's mother is RUBY IVANCOVICH (deceased), and his step-father is SAM P. IVANCOVICH, 407 Angier Pl., NE, Atlanta, Ga. (1952).

In view subject's position as Grand Dragon of the UKKKK, a violently anti-semitic and anti-foreign organization, it would probably prove highly embarrassing to him if it became public knowledge that his mother was of Russian or Jewish origin, if that be the case.

Atlanta requested conduct thorough background investigation of subject's mother and step-father to determine their ethnic background for possible use under the counter-intelligence program.

EDWARD HIRSH TWIST, III was interviewed at the Ft. Lauderdale, Florida Resident Agency of the FBI. At the outset of this interview, TWIST was advised that he did not have to make any statement and that any statement he did make could be used against him in a court of law. Identities of the agents were made known to TWIST and he was advised by SA WILLIAM D. NEUMANN that he had the right to talk to a lawyer of his own choice or to anyone else before saying anything at all.

EDWARD HIRSH TWIST, III, who resides at 1671 SW 27th Terrace, Ft. Lauderdale, Florida, and was born February 10, 1939, at Philadelphia, Pennsylvania, advised that he is the owner of TED TWIST's Sport Bar, 1536 Cordova Road, Ft. Lauderdale, Florida.

TWIST stated he voluntarily came to the FBI Office in Ft. Lauderdale, Florida because he wanted to get something "off his chest." He stated that he was recently the subject of wide-spread publicity in the newspapers and on television because of his membership in the United Klans of America, Incorporated, Knights of the Ku Klux Klan. This publicity, according to TWIST, has not seriously affected his bar business, however, it has resulted in embarrassment and mental suffering for his wife and has adversely affected his family. It has also seriously damaged his reputation in the Marine Corps League of which he is a state and Broward County Officer.

TWIST stated that he wanted the FBI to know that he had completely severed all relations with the Ku Klux Klan, that he does not support Klan activity, is opposed to

violence and has used his persuasive powers to discourage his father, HOWARD HERMAN TWIST, JR., and his brother, DONALD JEFFERY TWIST to discontinue their Klan connections.

TWIST stated he believed that his younger brother, DONALD, has or will shortly quit the Klan and he does not know what steps his father will take, however, he noted that his father, since the publication of articles exposing the TWISTS as Klan members, has been extremely nervous and has been suffering from ulcer attacks. He stated that his uncle, ROBERT TWIST, Master of WILLIAM H. KENNEDY's yacht, is currently sailing the Caribbean and TWIST has not had an opportunity to speak to him.

TWIST traced his Klan history from early May, 1965, when he was approached to join the Klan by CHARLES BAKER RIDDLEHOVER, also known as "RIP", a truck driver who delivered beer at TWIST's bar. Subsequently, he and other individuals in Ft. Lauderdale, were sworn in as Klan member in an open shed in Holiday Park, Ft. Lauderdale. TWIST could not recall the identity of the individual who swore him in at the Klan meeting.

Early meetings of the Klan Klavern in Ft. Lauderdale, were held in Kathy's White Kitchen Restaurant, which restaurant was owned by fellow Klansman GEORGE BOSEMAN. This restaurant was located on North Andrews Avenue, Ft. Lauderdale, Florida. Later on, meetings of the Klan were held in the Broward Building Supply Warehouse on Powerline Road in Ft. Lauderdale.

MM 157-1361

3.

TWIST explained that originally there was one Klavern in Ft. Lauderdale, and this Klavern split into two Klaverns, one for the north side of town and one for the south side of town. At the time of the split, TWIST stated that he himself became Exalted Cyclops of the southside Klavern, also known as Klavern #4. In the capacity of Exalted Cyclops, TWIST conducted meetings, but stated that he did not really know what was going on and conducted the meetings according to rules set forth in a book furnished to him.

He stated that at none of the meetings had he ever heard any talk of violence or the advocacy of violence.

He stated that at none of the meetings did he ever see anyone armed with guns. He stated that he personally does not own a gun.

Upon further questioning, TWIST admitted that he recalls that certain Klansmen were talking about sending a threatening letter to a girl who lived in Ft. Lauderdale, and allegedly had dated a Negro. TWIST stated then, that he recalled that he, TOM RIDDLE and other Klansmen, went to a drugstore on Prospect Road, Ft. Lauderdale, where the same girl was having breakfast and threats were made against her at that time if she continued to date Negroes.

Under questioning, TWIST also admitted that his uncle, Captain ROBERT M. TWIST has guns in his possession, however, TWIST stated he did not know what type guns or where they were stored. He stated that it would not surprise him if THOMAS EARL RIDDLE and "RIP" RIDDLEHOVER did engage in violence.

MM 157-361

4.

TWIST stated that after attending the Klan Rally at Ft. Lauderdale, Florida, on July 3, 1965, he became tired of the continual reference to Negroes as "niggers" and the disparaging remarks at Klan meetings.

He added that sometime in August or September, 1965, he resigned his position as Exalted Cyclops of Klavern #4 and discontinued attending meetings of the United Klans of America.

In response to specific questions regarding cross burnings in Ft. Lauderdale, Florida, TWIST stated that he had no knowledge of these cross burnings and stated that he recently gave \$5 to TOM RIDDLE for the "RIP" RIDDLEHOVER Defense Fund. He stated he was asked to make this donation because of the friendship that exists between RIDDLE and him.

Concerning out of town Klansmen who attended the rally in Ft. Lauderdale on July 3, 1965, TWIST stated that the only one he could recall that was armed with a gun was the Grand Dragon from North Carolina, BOB JONES, who had a rifle strapped to the inside of the driver's door on his automobile.

TWIST denied that his bar was used as a recruiting station for Klansmen, however, he did admit that Klansmen do hangout in his bar and it makes him "nervous," especially when they are wearing Klan insignia tie clips.

MM 157-1361

2

In conclusion TWIST stated that he would help the FBI in any way possible. He stated he would continue to dissuade his father and other relatives from continuing in Klan activities.

It is noted that TWIST's physical description is as follows:

Race:	White
Age:	About 27

ReLAairtel captioned "Connie Charles Lynch, RM," dated 12/2/65.

Lynch, commonly known as Connie Lynch is a leading national speaker for the National States Rights Party (NSRP) and other hate-type groups. Lynch apparently is unemployed at present and presumably receives some form of compensation for his speaking efforts. He has at times reportedly been a member of the NSRP and Klan groups; however, Bufiles do not reveal a continuing membership for Lynch in any of the hate-type organizations.

He has advocated the use of violence against minority groups and has been convicted of assault with a deadly weapon.

Lynch again came to the attention of the Bureau regarding threats to FBI personnel when, during a speech on 10/28/65 at Natchez, Mississippi, he referred to FBI Agents as

"Nigger babysitters" and "haters of all white men." He is alleged to have said he would kill FBI Agents or anyone else if they molest his family or employees. During an interview on 9/28/65 by Bureau Agents for a similar comment, Lynch denied making any such statement but was hostile to the Agents.

It is pointed out that while Lynch may not currently have a hate group organizational affiliation, he is a very prominent hate group personality and has been very successful in stirring up violence in the past. For this reason, counter-intelligence measures taken against him should be conducted as though he were one of the leading officials of a group such as the NSRP or the Klan.

Lynch's automobile bears a California registration and he was last known to reside there. He follows a peripatetic way of life and may appear at any place throughout the country.

For the information of all offices receiving this airtel it is to be noted that although Lynch drives a 1958 Cadillac, four-door sedan, white over pink, bearing 1965 California license plate number LXX 891, he does not have a valid California drivers license, his license having been suspended by the State of California effective 3/5/63. Operator's license number Z405029 has not been surrendered or reinstated.

The Bureau desires that offices in whose territory he may appear be alert to advise the Bureau immediately, with a recommendation as to a reliable law enforcement agency which can be advised he is driving without a valid license and which can be relied upon to take appropriate action without revealing the Bureau's interest.

The Los Angeles Office is further instructed to be alert to immediately advise the Bureau and interested offices in the event Lynch's drivers license is reinstated by the State of California.

This information is being sent to the designated offices inasmuch as Lynch has visited these areas in the past, is scheduled to visit these areas or is likely to visit these areas.

partly responsible for curtailing klan activity in the UKA in Broward County during November and December, 1965. In addition, the Marine Corps League held a hearing concerning TWIST's association in the klan, and he was reprimanded by the League. On November 26, 1965, TWIST contacted the FBI in Ft. Lauderdale, advising that publicity has resulted in embarrassment and mental suffering for his wife and has adversely affected his family. It also seriously damaged his reputation in the Marine Corps League. He stated he wanted the FBI to know that he had completely severed all relations with the klan and does not support the klan activity.

In addition, this counterintelligence action also affected three other members of the TWIST family, who were prominent in klan activities in Ft. Lauderdale.

Informants have recently reported that TWIST is now contacting klan members in Broward County and encouraging them to get out of the klan.

Although the following was not suggested as counterintelligence action, it has been extremely valuable in curtailing klan activity in South Florida. This relates to police cooperation concerning leaders of the klan with felony records. In this regard, the Dade County Sheriff's Office was furnished information that Assistant Grand Dragon CHARLES RIDDLEHOOVER was a convicted felon in the State of Georgia, and based on information from informants it was learned RIDDLEHOOVER had a firearm in his possession. Based on information from informants, the Dade County Sheriff's Office instituted investigation regarding the klan in Dade County. RIDDLEHOOVER was arrested in Dade County on October 28, 1965, at which time he had a revolver in his possession, and was charged with possession of a firearm by a convicted felon. This resulted in considerable publicity regarding RIDDLEHOOVER and the klan operation in South Florida. The adverse publicity has completely stopped klan activity in Dade County and during November and the first part of December, klan meetings in Broward County were temporarily discontinued. RIDDLEHOOVER is expected to stand trial in local court early in 1966, and if convicted, can receive as much as 10 years on local charges.

With the end in mind of disrupting Klan activities at the newly acquired Klan building, 232 SW 30th St., Ft. Lauderdale, Fla., where Klan meetings for the Klaverns #4 and #6, Ft. Lauderdale, and the Davie Klavern, meet on weekly basis, the following conversation was had with J. LESTER HOLT, Chief of Police, Ft. Lauderdale, Fla.:

The building located at 232 SW 30th St., is located within the city limits of Ft. Lauderdale. It is the last building on the south side of 30th St., going west, which is a deadend street.

The various Klaverns and Women's Auxiliary meet on various nights at this building.

On occasion the various Klaverns have a joint meeting when of course, the majority of Klansmen in Broward County are in attendance.

Chief HOLT stated that at a time designated by this Bureau, he will set up a road block at the intersection of 30th St., and SW 2nd Ave., for the purpose of checking license registration and the proper operation of vehicles operated on that street. This could be done at the time

are held there. This building is located in an industrial type neighborhood adjacent to the Ft. Lauderdale-Hollywood International Airport within the city limits of Ft. Lauderdale. The Klan building is the last edifice on the south side of a dead-end street where no private residences are located. The only means of ingress or egress by automobile is by SW 2nd Avenue.

J. LESTER HOLT, NA, Chief of Police, Ft. Lauderdale PD, a trusted friend of the Bureau, has advised that he will be able to set up a roadblock for the purpose of checking operator's licenses and proper functioning of automobiles at the intersection of SW 30th St. and SW 2nd Ave., at short notice any time the FBI desires. HOLT could effect this roadblock without disclosing Bureau interest. HOLT also advises he can arrange TV and press participation in order to effect photographic coverage of the roadblock.

The Miami Office can confidentially advise MILTON J. KELLY, Managing Editor of the "Ft. Lauderdale News," whose reliability is already known to the Bureau and who has in the past assisted in the Counterintelligence Program, of the location of this building and that the legal owner, Seaway Engineering, Inc., is a front for the KKK.

Bureau authority is requested to disclose the last mentioned item to KELLY and to inform HOLT, after a joint meeting of all Klaverns is commenced in the Klan building, that the opportune time has arrived to set up the roadblock. By necessity, the timing of such an operation will be dictated by receipt of information from Klan informants whose protection, interest and concealment will be paramount.

Miami knows from information received from confidential sources that the Klan is having difficulty meeting mortgage payments on this building, due to the drop off in Klan members and corresponding decrease in income from dues, etc. The harassment type tactics submitted above will undoubtedly result in further loss of members and possibly may drive the Seaway Engineering, Inc., into bankruptcy and foreclosure of the Klan building.

II. Special TV Program
WCKT Channel 7
Miami, Florida
(NBC Affiliate)

GENE STRUHL, News Director, WCKT TV Station, Miami, who is an established source and has cooperated with the Bureau in the past and can be relied upon to keep the identity of the Bureau confidential, has previously made known to the Miami Office that he is interested in preparing a special one-hour program exposing Klan activity in the Greater Miami area, including Broward County. This would be a sequel to a program produced by WCKT in mid-1965, concerning Klan and hate-type activities throughout the State of Fla.

WCKT has in its possession several filmed episodes of the UKA rally at Ft. Lauderdale in 1965, as well as a film interview with CHARLES B. RIDDLEHOOVER, Grand Dragon of the UKA of the KKK, at the time of his arrest in Dade County, Fla., on charges of possession of a concealed weapon by a convicted felon. STRUHL, through his connections with the Dade County SO, also has access to certain Klan documents found in RIDDLEHOOVER's possession at the time of his arrest. Among these documents is a list of names of UKA members and supporters, not identified as such, residing in the South Fla. area. The significance of this list is unknown to STRUHL.

The Miami Office proposes that STRUHL be confidentially contacted and informed of the existence of 3 Klaverns presently operative within the Miami Division. It is also recommended that the Bureau authorize the Miami Office to assist STRUHL in the preparation of his proposed program along the strictly limited lines set forth hereafter.

The Bureau is well aware of the activities of ROBERT MILTON TWIST, Yacht Captain and employee of millionaire WILLIAM H. KINNUCAN, owner of the Marlin Beach Hotel in Ft. Lauderdale, as set forth in Miami airtel of 9/28/65.

MM 157-1114

Under a counterintelligence measure successfully executed by the Miami Office last year, **TWIST** was identified in a local newspaper as a Klan member and a convicted felon. His criminal record was set forth in detail in this article, which is now public source material.

TWIST's name, as well as **WILLIAM H. KINNUCAN's**, appeared in the list of names found in **RIDDLEHOOVER's** possession, which information is available to **WCKT**.

What is not known to **WCKT** is the following information obtained from Klan informants:

(1) During the **UKA** rally in Ft. Lauderdale, Imperial Wizard **ROBERT M. SHELTON** was a registered guest at **KINNUCAN's** hotel and his stay here was arranged by **TWIST**.

(2) **WILLIAM H. KINNUCAN's** name appeared on **RIDDLEHOOVER's** list because he signed a **UKA** membership application card and other Klan documents furnished him by **TWIST**, while **KINNUCAN** was under the influence of alcohol. **KINNUCAN** later sought unsuccessfully to have these documents returned to him.

(3) After **TWIST's** criminal record and his connection with the Klan were exposed in the newspaper, **KINNUCAN** still failed to discharge **TWIST** from his employment.

Miami recommends that **GENE STRUHL, WCKT**, confidentially be advised of **SHELTON's** stay at the Marlin Beach Hotel and the circumstances surrounding his stay. **STRUHL** will be advised that **KINNUCAN** is **TWIST's** employer, that **KINNUCAN's** name appears on the list available to **WCKT**, and that **KINNUCAN** owns the Marlin Beach Hotel.

Based on the above information, **WCKT** may desire to conduct filmed interviews of **KINNUCAN** and **TWIST** and perhaps the manager of the Marlin Beach Hotel, for inclusion in the proposed TV program.

MM 157-1114

FOIA(b)(7) - (D)

MM 157-1114

Indices of the Miami Office contain no derogatory information concerning GENE STRUHL. Miami feels certain it can initiate the above recommendations without any danger of embarrassment to the Bureau and without disclosing Bureau interest therein.

It is pointed out that the UKA in Fla. is currently in a reorganization status under the administration of the Imperial Board of the UKA. During the reorganization period, a strenuous recruitment drive, including the scheduling of Klan rallies throughout the state, is being planned.

Miami expects that the counterintelligence program suggested above will, at the very least, curtail Klan membership and thwart Klan recruitment activities, and at the most, result in the disruption of the Klan in South Fla.

Twist Reprimand Upheld By League

The National Marine Corps League yesterday upheld a reprimand against Ted Twist III, senior vice commander and second highest officer in Broward County, for his brief, one-time affiliation with the Ku Klux Klan.

In Washington Burton P. Daugherty Jr., national commander of the league, said a conference had just been completed in which the Twist matter had been turned over to a committee of five past national commanders.

"They recommended to the national board of directors that this reprimand by the Florida department of the league be upheld," he said.

NOTED IN PASSING

"They noted in passing that the Ku Klux Klan is now being investigated by Congress but has not been placed on the subversive list.

"They further noted that when Ted Twist joined the Ku Klux Klan he got out and that was only for a period of six weeks, as I recall."

Daugherty, who comes from East Lansing, Mich., further stated his personal opinion of

such organizations as the KKK.

"I'm a northerner. We don't want to have this kind of outfit in our organization."

On Nov. 14, 1965, the state Marine Corps League issued a statement after a closed hearing in which they said they felt Twist should be reprimanded but not drummed out of the league.

C. H. (Blackie) Downing of St. Petersburg, national vice commandant, southeastern division, said:

"Ted Twist is a human be-

ing and therefore is not infallible. He did make a mistake but he found this out long before the Marine Corps League was notified along with the public by the news media of his membership in the Klan."

It was further declared that full details of the investigation be presented to the national staff and that Twist be reprimanded for his error.

Early in November Twist had renounced the Klan as "subversive" and "not for me."

ReMMairtel 1/24/66 captioned as above.

The interest which prompted you to submit the numerous counterintelligence recommendations, set forth in referenced airtel, is appreciated.

You are authorized to inform J. Lester Holt, NA, Chief of Police, Ft. Lauderdale, Florida, Police Department, as soon as practical, of the date and time of the next joint meeting of the Broward County and Davie, Florida, Klaverns, United Klans of America, Inc. (UKA), to be held at the Klan building, 232 Southwest 30th Street, Ft. Lauderdale.

Accept Holt's voluntary offer to establish a motor vehicle inspection roadblock in a strategic position in the area of 232 Southwest 30th Street, Ft. Lauderdale, after the next previously-described joint Klan meeting convenes.

Television coverage of this roadblock is not desired, as such coverage would detract from the accidental quality of the contemplated counterintelligence tactic.

Inform Holt that any press coverage that he may desire to arrange subsequent to the roadblock, however, would be most beneficial. Suggest to Holt that he might consider a press release indicating that a routine motor vehicle inspection roadblock nets the Ku Klux Klan (KKK). This could be followed by a listing of those individuals whose vehicles were found to be defective or whose operator's licenses were not valid.

Caution Holt to remain alert for any unlawfully possessed firearms, obviously in the possession of Klan people who come under the scrutiny of the planned roadblock.

RE: - COUNTERINTELLIGENCE PROGRAM
157-9-29

You are also authorized to confidentially alert Milton J. Kelly, Managing Editor, "Ft. Lauderdale News;" that the building located at 232 Southwest 30th Street, Ft. Lauderdale, is utilized for Klan activities. Also inform Kelly that the legal owner of that building is the Seaway Engineering Company, Inc., and that the purchase of that building was negotiated by Klan officials.

Request that Kelly afford publicity to the existence of the Klan meeting place. Alert Kelly to these factors no sooner than 24 hours following the successful motor vehicle inspection blockade described in this communication. Handled in this manner, the public view of the Klan will be sustained.

Relative to your recommendation that the Miami Office assist Gene Struhl, News Director, WCKT TV Station, Channel Seven, Miami, Florida, in the preparation of his proposed one-hour program exposing Klan activity in the greater Miami area, you are authorized to take the following action:

Alert Struhl to the fact that three Klan klaverns are presently operational in the greater Miami area.

Inform Struhl that Robert Milton Twist, a member of the UKA, is employed by millionaire William H. Kinnucan, owner of the Marlin Beach Hotel in Ft. Lauderdale, Florida. Underscore the fact that Twist was publicly identified during 1965 as a Klan member and a convicted felon. 

In this reference, alert Struhl to the fact that Imperial Wizard Robert M. Shelton has been a guest at Kinnucan's hotel, which arrangements were made by Twist.

Suggest to Struhl that in connection with the preparation of his one-hour expose program, he may desire to conduct filmed interviews of Kinnacun, Twist, or the Manager of the Marlin Beach Hotel.

Re Bureau letter to Miami, 2/15/66.

On 2/17/66, SAs LEONARD C. PETERSON and WILLIAM D. NEUMANN interviewed GEORGE ELMER BOWMAN.

It was brought out in this interview that BOWMAN feels strongly that he has the obligation to publicly expose his former association with the Ku Klux Klan.

BOWMAN feels he was inveigled into Klan membership by the false claims of CHARLES "RIP" RIDDLEHOOVER that the Klan was primarily a patriotic, anti-communist and law abiding fraternal organization.

BOWMAN explained that when sufficient members were recruited, Klan officials from other states visited the Broward County group and the mask of respectability was removed. Convicted felons were welcomed into the organization and remarks like, "We can make bombs ourselves if we have to..." and "We're non-violent, but we can be pushed just so far" entered into leadership discussions.

All dues collected eventually ended in RIDDLEHOOVER's possession and no accountability of them was made. RIDDLEHOOVER, who had lost his job and was unemployed, purchased a new car and generally conducted himself as if he were affluent.

It was the opinion of the interviewing agents that BOWMAN's appearance, speech and personal conduct were outstanding. He expresses himself well and would make an excellent witness to the events he relates.

BOWMAN was unconcerned about Klan reprisals stating, "I can take care of myself."

The tangible results that can be obtained as a result of BOWMAN's appearance on TV are as follows:

1. Discourage new members from joining the Klan.
2. Acquaint the public of the type of individuals who associate themselves with the Klan.
3. Overall disrupting affect and deterrent to current Klan members.

In view of this, your recommendation is being returned for further study and development in order to attain maximum impact from Bowman's knowledge and to lend a like degree of protection to the interests of those involved.

Consider Bowman's possible appearance in the previously-described TV expose dressed in full Klan regalia and mask. The taped interview of Bowman could also be conducted in such a manner as to effect a substantial change in the tonal qualities of his voice.

Maximum protection having been afforded Bowman's identity, the interview of Bowman by WCKT, TV, could be conducted, not only to fully exploit Bowman's knowledge of past Klan activities, but also to create the illusion that he is currently active in Klan activities conducted in the Miami area.

In addition to Bowman's revelations concerning the activities of others, he could emphasize the fact that his identity is concealed due to fear of retaliation from the Klan. Bowman could equate the Ku Klux Klan with the "Ku Klux Cong," underscoring the observation that while the United States is involved in a great test in Vietnam, the Ku Klux Klan disrupts domestic tranquility and thereby lends aid and comfort to the Viet Cong.

Bowman could also be carefully coached regarding public source information relating to the appearance of Klan key figures before the HCUA. Bowman could bring out in his interview the cowardly and common qualities possessed by Klan key figures, top hoodlums and CP functionaries who have testified before the HCUA. This comparison could be achieved by highlighting the identity of Klan key figures who have invoked the Fifth Amendment at HCUA hearings and Bowman's knowledge of the Klan propensity for violence.

The conclusion of the TV interview with Bowman could leave the distinct impression that Bowman would be most willing to appear on WCKT, TV, periodically, in order to keep the public currently informed regarding Klan activities in the Miami, Florida, area.

FOIA(b)(7) - (D)

Miami consider this Bureau innovation and submit your recommendations and observations. Your response should be accompanied by the WCKT, TV, deadline for the preparation of their program, specific details as to the exact subject matter to be covered by Bowman,

In view of the added ramifications inherent in the incorporation of the Bureau's excellent recommendations in the proposed TV interview of GEORGE ELMER BOWMAN, the Miami Office feels this would be the opportune time to enter into preliminary discussions with GENE STRUHL of WCKT TV.

It will not be necessary at this stage to disclose BOWMAN's identity to STRUHL, however, he can be advised of the fact that a disillusioned Klansman may be willing to be interviewed for a TV program.

STRUHL's feelings concerning possible reprisals vs. the Klansman; his appearance in full Klan regalia; the technicalities in producing the program, and the deadline date for preparation of same can be discussed.
